Github Profile: <https://github.com/MwandikiAntony>

---

## Professional Summary

I'm a passionate and results-driven web developer with over two years of experience in designing, developing, and maintaining dynamic websites and web applications. Expertise in front-end and back-end development, with proficiency in HTML, CSS, JavaScript, and modern frameworks like React, Angular, and Node.js. Adept at delivering responsive, user-friendly websites and optimizing performance for an exceptional user experience. Strong problem-solving skills, with a focus on writing clean, maintainable code and delivering projects on time.

---
